Source Engineer
VMware

**Allan
Friedman**

Senior Advisor and
Strategist
CISA

**Jonathan
Meadows**

Managing Director,
Cybersecurity,
CitiGroup

**Andrew
Martin**

CEO
ControlPlane

What is an SBOM & why should people care about it?

**When are SBOMs generated: at build,
packaging, ingestion time?**

**Where should SBOMs be stored and
how should they be shared?**

In an organization, who are the major consumers of SBOMs?

Are SBOMs sufficient for supply chain security? What else is Needed?
